ITEM NO. 230 -- HOURLY RATES

1. Hourly rates apply:
 - (a) On shipments where the loaded distance is 35 miles or less; or
 - (b) When referred to by another item of the tariff.

Note: For moves longer than 35 miles, see Item 200 (Mileage Rates).
2. Rates shown in this item apply for the vehicle and driver. See Item 235 (Labor Charges) if additional carrier personnel are involved in the move. Charges for the driver are computed at the same charges as those in Item 235 (Labor Charges), with the balance being the charge for use of the vehicle.
3. Hourly rates apply during regular hours only. For other than regular hours, overtime charges will apply in addition to these hourly rates. See Item 220 for overtime rates.
4. Time must be recorded to the nearest increment of 15 minutes. The carrier must require its employees to record breaks and interruptions. The customer must not be charged for those breaks and/or interruptions.
5. The minimum charge for a shipment moving under hourly rates is one hour.
6. When a single shipment is being transported, the carrier will bill the customer for the time beginning when the moving vehicle leaves the carrier's terminal, or other location of the vehicle, whichever is closest to the origin of the shipment, until the time the vehicle returns to the carrier's terminal or is dispatched to another job.
7. When two or more shipments are being transported on a single vehicle, the time charged to each customer must be:
 - (a) The actual time spent conducting packing, loading, unloading and unpacking; plus
 - (b) An equitable division of the total travel time.
